

Engineering Drawings

Standard Roller - IF

Drawing Based on Inside Frame Dimension

IF = _____ **Inside Frame Width**

OA = _____ **Overall Roller Length (bearing hub to bearing hub)**

SL = _____ **Shaft Length Overall**

Tube Diameter / Wall Thickness / Material: _____

Shaft Size / Configuration / Material: _____

Bearing - Commercial / ABEC-1 (Precision): _____

Company: _____

Contact: _____

Phone: _____

Fax: _____

Signature: _____ **Date:** _____
